- **Evaluations:** Gypsy Horses presented for Evaluation by the Gypsy Horse Registry of America, Inc. must be registered or have a pending registration with the GHRA. The fee for Evaluation is \$150.00. The Gypsy Horse Registry of America, Inc., the evaluators and host venue will not be responsible for any accident, injury, damage, or illness to any horse, handler, owner, spectator or other persons or property. Should the GHRA Evaluations be postponed or canceled all Evaluation fees will be refunded to the owner of the horse. All Gypsy Horse Owners are responsible for understanding and abiding by the rules and regulations of the evaluation process. Handlers under the age of 18 must be supervised by an adult. Handlers under the age of 18 are not allowed to handle stallions. If a horse presents a risk to itself, the handler, the evaluators, or the public it will be removed from the evaluations and may be disqualified from the evaluation. Once the score has been written it will be recorded. A horse can be re-evaluated at another evaluation. A Gypsy Horse can withdraw part way through a conformation presentation if the owner deems the horse not fit to continue and the score will not be recorded. The owner will be given a copy of the score sheet at the conclusion of the Evaluation. The Original Evaluation will be placed in the horses file in the offices of the GHRA Registrar. A Certificate will be mailed to the owner within two weeks of the evaluation. Evaluations are never made public, nor will they determine a horses standing in the Registration Book. It is up to the owner of the horse to choose to make it public. The GHRA will not release the evaluation to anyone other than the owner of the horse. Copies of the Certificate of Evaluation are available to the owner of the horse for a fee of \$10.00 each by contacting the GHRA office.
